

SAFETY TIPS

for Attendees

Welcome!

San Francisco is known for its diversity and friendliness. Easily walkable, the city's 49 square miles offer countless attractions and experiences. Nevertheless, it's always good to take precautions when visiting a new city.

To ensure safer travels not only here, but anywhere you may visit, we offer some suggestions and resources below.

Be Smart, Be Safe

Follow the below tips to keep safe on San Francisco's busy streets.

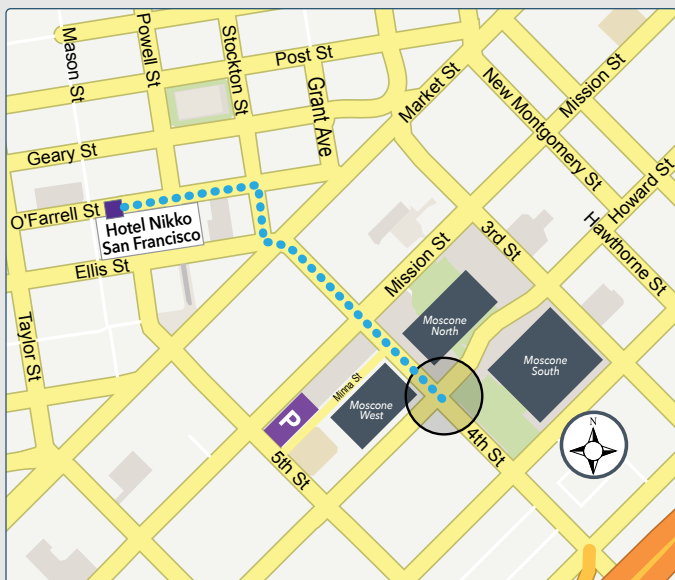

- Remove your attendee badge and put it away, or recycle it.
- Keep your eyes up, your ears open, and your phone away.
- Carry your wallet in the front pocket of your pants or the inside pocket of your jacket.
- Keep a close eye on your belongings at all times. Avoid leaving bags on the ground or over the back of your chair.
- San Franciscans are knowledgeable, helpful, and friendly. We encourage visitors to ask shopkeepers, hotel staff, or police officers for assistance.
